## BEST RESTORED TRACTOR

FUN VINTAGE TRACTOR PULL  
15 SECTIONS FROM 15HP — 100HP

### Rules:

- No running engines or displays to be left unattended
- Maximum height of extended tractor pull drawbars to be 21 inches
- All drawbars are to be standard with no modifications
- No rear wheel weights are to be extended more than 2 inches past the wheel.
- No excess weight on tractors in tractor pull
- No loose items on the tractor that could fall off in the tractor pull
- All drivers must hold a current drivers licence
- Safety Officer's decision is final
- No alcohol allowed on the track, tractor or pit area.
- All tractors entering the tractor pull must have commenced production before 1978.
- If the front wheels come off the ground you will be red flagged.

All participants of display and Tractor Pull must sign an Indemnity waiver form before participating.
